Han Yu

Han Yu's guwen however was not an imitation of ancient prose, but a new style based on the ancient ideals of clarity, concision, and utility. Han Yu led a defense of Confucianism at a time when Confucian doctrine was in decline, and attacked both Buddhism and Taoism which were then the dominant belief systems.

Han Yu

Han Yu was also critical of , which he considered to be a harmful accretion to Chinese culture. New York: Grove Press, Inc.
