Silver Circle

It has been protected from visitors between the 70s and the 90s because of an ice build-up. When John finally does run into a problem, being captured by Odawa, it is resolved within a couple paragraphs with no real danger. The water is used to heat the houses in the whole region.

The silver circle

It is quite a unique experience again! As a book supposedly written during the eighteenth century, I was surprised that it did not include a more in-depth description of the different sights and smells of the new world.
