The IMF and the World Bank

Both campaigns derive from international law. The World Bank Group is taking to help developing countries strengthen their pandemic response, increase disease surveillance, improve public health interventions, and help the private sector continue to operate and sustain jobs.

South African Apartheid Film 'Lakutshon' Ilanga' Set for French Premier

Many in civil society remain that the safeguards are fit for purpose if the Bank is to deliver on its mandate to implement policies that benefit the poorest, especially as the Bank is set to focus on more complex and difficult environments from 2018. It issued a similar demand concerning South Africa.

Patrick Bond

The UDF: A history of the United Democratic Front in South Africa 1983—1991. If such profits were returned to Somkhele, the process of financing the desperately-needed decarbonisation could begin.

South Africa and the IMF

These principles directly conflicted with the mandated racial discrimination and segregation policies of apartheid-era South Africa, thus making it impossible for businesses adopting the Sullivan Principles to continue doing business there.
