In addition to the financial stress of unemployment, these older workers are now faced with high health insurance costs. The woman told our attorney that both she and her husband suffer from brain injuries and previous strokes and that they were both distressed when the agent came into their home.

## Medicare Now and in the Future

. Support for Medicare expansion is also high within Congress.

## Federal Policy Guidance

. In the current fiscally constrained environment, there is little discussion about expanding Medicare to cover long-term care or in substantially reducing cost sharing for people covered by the program.
