But moreover, have employed film as a particularly rich, if not unproblematic, new source.

Film History: Theory and Practice by Robert C. Allen

Why do given themes or motifs gain currency in films of one period, and not in others? It may also be possible, for instance, for films to manifest a cultural unconscious; that is, to say two things. Films never exist in isolation, and are always related to the wider cultural output of any era. But film history goes further too.

Film History: Theory and Practice by Robert C. Allen

The pioneering work of Allen Eyles in the neglected realm of cinema exhibition has recently been augmented with a broader history of the topic by Stuart Hanson. Film history has become the third branch of investigation, though its historiography has much longer roots. Instrumental here has been groundbreaking work by the likes of Roy Ames, Charles Barr, Rachael Low, Jeffrey Richards, Anthony Aldgate, Sue Harper, Vincent Porter, James Chapman, Andrew Higson, Andrew Spicer, John Hills, Robert Murphy and Sarah Street.

Whether you are looking to advance skills developed at undergraduate level, develop the skills needed to pursue a career in the creative industries, or establish the foundations for a PhD in film, the MA will challenge and engage you in developing insights into film as a crux of modern life and media. However, it may be necessary to make changes due to significant disruption, for example in response to COVID-19. In the early 1930s Paul Rotha's seminal, if partisan, *The Film Till Now: a Survey of World Cinema 1930* , and Frances Consitt's *The Value of Films in the Teaching of History* London, 1931 , demonstrated different, though parallel, concerns with film history, the latter under the auspices of the.
