## Ostrich industry growth rate lags

The MDC-T has also recalled dozens of Councillors, MPs, Mayors and Senators who have pledged loyalty to Chamisa, leaving some municipalities on the brink.

## Scientific Services

Ostrich features are used for making dusters for cleaning, hat and home decorations. And it will be very good if you can learn practically from an existing farmer.

## Jonathan Moyo shocked by Chamisa's 'ostrich' behaviour

South Africa alone exported a record high of 90,000 ostrich hides to the United States in 1986. They will breed easily if you keep good ratio of male and females in your farm. Currently, many countries around the world have started commercial ostrich production.

## Scientific Services

Select Right Breed There are actually 5 different types or subspecies of ostriches are known. It will be better if the selected area is free from all types of noises and pollution.
