### Uta no★ Prince

Thế nhưng, Lão Tử rất ít nói đến chuyện văn nghệ, tư tưởng văn nghệ Đạo gia mà truyền thống hay gọi chủ yếu là để chỉ Trang Tử. It's much better this season than last, but it's still really strange since the rest of the anime isn't in CGI.

SUMMARY: AWARE AND BUNGAKU IN JAPANESE CANON Dr. Memories of the Battle of Okinawa—as Medoruma, Nelson and others suggest, and as I argue here—are thus complexly interwoven with the past, the present and the future. Càng suy nghĩ, tôi càng tin chắc rằng tác phẩm này không phải bắt nguồn từ thế gian này.

### Maji LOVE 2000% (song)

Overall my experience with this anime has left much to be desired.

### Uta

Such is the teaching and fate of war, he laments, and protests. That's a nice way to put it. Once finished, everyone at the concert becomes affected by the waves of The Happy Pulse.
