The new century opened for England amid distress, despondency and defeat. The proprietor of a newspaper, who had criticised some act of Sir Ralph Darling's government, was punished by the recall to government service of the prisoner composers he employed. They make a woeful slow progress, but I cannot look upon them as extinct; on the contrary they must prevail in the end like the sea.

He provides great detail in giving news from camp and news of the larger war aims of both the Confederacy and the Union. . The Attorney-General boasted that in the last two years there had been more prosecutions for libels than in any twenty years before.
