Two archetypes stand out: the morose male detective and the resourceful, but emotionally distant, heroine.

140 Characters or Less: How Is the Twitter Mediascape Influencing the Egyptian Revolution?, Middle East Journal of Culture and Communication

Through interviews, photographs, and analysis, Barndt explores the collective, participatory, critical way of learning that connects education to experience and seeks out the structural and historical causes of social problems. And yet what is a photograph? But that man, Malcom Bannister, is currently residing in the Federal Prison Camp near Frostburg, Maryland. The two-man tents that compositionally bookend the men and act as their temporary homes—mobile and ever-shifting sites where they merely rest themselves occasionally—are drawn as blanks: triangular, black gaping holes surrounding the central figures.

The voice of Joyce

This is a grass-root project that gathers chants during demonstrations and transforms them into artworks.

Gift of Barbro and Bernard Osher, 1992. United States Congress, Office of Technology Assessment. It is against this context that commentators almost universally make sense of the rise of 21st century NN, arguing that the genre is both a critical rejoinder to, and a means of making sense of, the many changes wrought by this economic and political transformation.
