Wolfram Walt and Ralph W Fasold

One female African American student said that she didn't understand much of what is being taught in her literature class because she doesn't identify with the wording. Berlin and New York: Mouton. Moreover, the sample size was limited to one or if Stewart's subsequent duplications with an unspecified number of other students are taken into account a few students.

American English Dialects And Variation 2nd Edition Language In Society Vol 25 PDF Book

In Ahmar Mahboob and Lestlie Barratt eds.

The study of social dialects in American English : Wolfram, Walt, 1941

It would also be interesting to know who presented the program to each of these sets of respondents, in what way, and whether opportunities for them to respond to the criticisms were provided and exploited. Blacks themselves led the opposition to such a move, and teachers, parents, and black activists united to oppose it. Black English: Educational equity and the law.
