## Switzerland

In 2020, placed Switzerland first in attracting skilled workers. Some traditionally Protestant cantons and cities nowadays have a slight Catholic majority, not because they were growing in members, quite the contrary, but only because since about 1970 a steadily growing minority became not affiliated with any church or other religious body 21. .

## Switzerland

Carter developed a bitter feeling following an unsuccessful attempt at having Congress enact the scrapping of several water projects, which he had requested during his first 100 days in office and received opposition from members of his party. The ended this period of growth, however, and as both inflation and interest rates rose, economic growth, job creation, and declined sharply.

## Switzerland

He won the 2002 , which was partially a response to President 's and Carter's criticism of the Bush administration. He tried unsuccessfully to become chairman of the to boost his visibility.

## Switzerland

Neuchâtel: Swiss Federal Statistical Office.
