In Defense of Immortality by Carol Zaleski

The Guinness Encyclopedia of Ghosts and Spirits.

Spinoza's Heresy: Immortality and the Jewish Mind

Forstrom also argues 99 that Locke is responding to More's view that we will suffer divine rewards and punishments even though we have no awareness of what we have done. Two crucial philosophical issues are raised by this prospect. Some of the especially unfortunate oversights include work by Margaret Atherton, William Alston and Jonathan Bennett, Vere Chappell, Edwin McCann, William Uzgalis, and Gideon Yaffe.

Immortality of the Soul

But also missing are acknowledgements, even in the bibliography, of other very important scholarship offering philosophical analyses and interpretive solutions to many of the same issues Forstrom is addressing.

Immortality of the Soul

If your hope is in the resurrection, you should abstain from all talk of immortality. It is a Divine element, and it is this which is immortal. Sensory impressions come in a perpetual shower, and the drops for the most part dry as soon as they fall.

Buddhism and Immortality: Buddhism and Immortality

Although the drunkard cannot remember or appropriate her actions, she is nevertheless punished by a civil court, since the court has no way of knowing whether a loss of consciousness reflects that the action was in fact committed by someone else.
