The Extra Mile: How to Engage Your People to Win by Chris Brady

Going the extra mile is defined as doing more without being asked.

Employees who go the extra mile

The business world is changing and company success is no longer based on who has the best strategy, but rather who best implements their strategy. . We have detected you are on an old browser, to ensure you are fully in control of your data and privacy we recommend that you use a modern browser.

The Extra Mile: How to Engage Your People to Win by Chris Brady

This book explains how engaging and aligning employees is the new source of competitive advantage, and shows managers and leaders how to successfully implement this.
