**Final Declaration: Investing in Youth for Accelerated Inclusive Growth and Sustainable Development**

They work in business associations, regional associations, Chambers of Commerce and Industry, Chambers of Skilled Crafts and foundation organisations in Germany. We aim to promote a positive, and constructive and multidimensional approach to migration that takes place in a safe, orderly and regular manner. We welcome the growing number of businesses that embrace a core business model that takes account of the environmental, social and governance impacts of their activities, and urge all others to do so.
