Collection: Missionary pamphlets of The Church of Jesus Christ of Latter

Questions not very soluble at present, were even sages and heroes set to solve them, began everywhere with new emphasis to be asked. How glorious, having finished off one's affairs in Bedfordshire, or in fact finding them very dull, inane, and worthy of being quitted and got away from, to set out on a cruise, over the Jails first of Britain; then, finding that answer, over the Jails of the habitable Globe! If this is the fact, why not treat it as such? Only the excess of it is diabolic; the essence I say is manlike, and even godlike,--a monition sent to poor man by the Maker himself.

latter day pamphlets : definition of latter day pamphlets and synonyms of latter day pamphlets (English)

Sham-kingship, now recognized and even self-recognized everywhere to be sham, wrestles and struggles with mere ballot-box Anarchy: not a pleasant spectacle to British minds. Let all real and imaginary Governors of England, at the pass we have arrived at, dismiss forever that fallacious fatal solace to their do-nothingism: of itself, too clearly, the leak will never stop; by human skill and energy it must be stopped, or there is nothing but the sea-bottom for us all! Respectable Professors, I perceive it is not now the Gigantic Hucksters, but it is the Immortal Gods, yes they, in their terror and their beauty, in their wrath and their beneficence, that are coming into play in the affairs of this world! A whole world, for want of Reform, is drowning and sinking; threatening to swamp itself into a Stygian quagmire, uninhabitable by any noble-minded man.

Latter

The eternal voices, very audibly again, are speaking to proclaim this message, from side to side of the world. Not with entire approbation do I, for one, look on that eloquent individual.

Latter

Didactic as no spoken sermon could be. What an immense pothole, by parliamenting and palavering in all corners of your empire, to decide such a question as that! What can be more miserable than this universal hunting out of the high dignitaries, solemn functionaries, and potent, grave and reverend signors of the world; this stormful rising-up of the inarticulate dumb masses everywhere, against those who pretended to be speaking for them and guiding them? Colonial Offices, Foreign, Home and other Offices, got together under these strange circumstances, cannot well be expected to be the best that human ingenuity could devise; the wonder rather is to see them so good as they are.

Latter

A man of real worth, challenging at once love and respect: the light of those mild bright eyes seemed to permeate the place as with an all-pervading vigilance, and kindly yet victorious illumination; in the soft definite voice it was as if Nature herself were promulgating her orders, gentlest mildest orders, which however, in the end, there would be no disobeying, which in the end there would be no living without fulfilment of.

Collection: Missionary pamphlets of The Church of Jesus Christ of Latter

They, across such hulls of abject ignorance, have seen into the heart of the matter; we, with our torches of knowledge everywhere brandishing themselves, and such a human enlightenment as never was before, have quite missed it. Does the Christian or any religion prescribe love of scoundrels, then? And if no man could now see it by any Bible, there is written in the heart of every man an authentic copy of it direct from Heaven itself: there, if he have learnt to decipher Heaven's writing, and can read the sacred oracles a sad case for him if he altogether cannot, every born man may still find some copy of it. In which some men can do much;—in which every man can do something.
