## Jichou shinai Motoyuusha no Tsuyokute Tanoshii New Game (Title)

Motoko begins to say something, but Iwao demands that she shut up. She states that she wasn't waiting any less from the one that defeated the Night of Wallachia and that he was able to destroy the Reality Marble they were in without any kind of magic, engaging a fight with him.

## Kanami Yano

This would imply that he does not fully accept it as his own self. He says that he's going to bed early and leaves the room.

## Shin no Nakama janai to Yuusha no Party wo Oidasareta node, Henkyou de Slow Life suru Koto ni shimashita (Title)

Toshio agrees to check in on him. Shiki must still get in range, aim, and strike the target himself, which is not a trivial task against the kind of enemies he faces. In Arcueid's Good Ending, she spends an entire week suppressing her urges and meets Shiki on his way to school, exactly at the same point where he met her at the beginning of the story.

## Shiki Tohno

Needless to say, it was that person. However, after they do it, Shiki is still succumbing to Roa, so he leaves Ciel's house, where he encounters Arcueid, who was looking for him in order to kill him. She brings a phone and futon into the bathroom, and locks herself and Shigeki in there and promises to protect him.
