Politics is America's cancer and this time, it's truth resistant

The criminal charges Volkswagen is facing are another matter entirely. But whether these cancers are actually caused by intrinsic or extrinsic factors may never be decided.

Her Mission: Cutting Deaths From Cancer by Half

Furthermore, such control is no guarantee against error. Living people are the only kind drug companies make money on. And in many cases, the correction almost makes us want to hold that belief even more deeply, rather than give it up.

I mean, we needed to know it.

How Many Cancers Are Caused by the Environment?

The public is the other big loser in this scandal. To move these people out of the way, to get them out of the polls, to get them out of our classrooms. The impact of this disclosure on VW has been calamitous.

Michael Pollan Explains Why Psychedelic Drugs Are the Ultimate Meal for Your Mind

But these experts do not paint an entirely rosy picture. Since Republicans took control of Congress in 2010, the EPA's budget has been slashed by more than 20 percent; as a result, the agency's staff level is now the lowest it has been since 1989. These examples imply that the existence of a monotonic association is neither necessary nor sufficient for a causal relation.
