## The Five Best Ways To Handle Pressure At Work

Yet the accumulated pressures from delaying, combined with last minute pressures, will normally exceed the lesser pressure you avoid when you delay starting. And conveniently, this trick is extremely easy to put into practice: The next time you're facing a high-pressure situation — a big presentation, for example — spend the few minutes before listening to your pump-up tunes right up until it's time to take the stage.

### 50+ Performance review phrases

You may frustrate easily and snap at anyone who interrupts you.

### 50+ Performance review phrases for stress management

While there are many ways to handle pressure, this is your only chance to interview for this internship or job.

## Working Under Pressure

He needs to become more indulgent and patient.
