### Chapter 253

Common Hypotheses Explaining AR in Spending on Men's Rapid growth and redistribution of population widely remarked as the source of many new demands for water and sewage systems, highways and streets, other public construction and public services, rising population and suburbanization are hardly to be questioned as major factors in post-World War II public expenditures. Founded usually on the subscription rather than the actuarial principle, with few safeguards against diverting funds to strike benefits or other extraneous purposes, many of them were in financial difficulties by the 1920s. § 405 e ; 42 CFR §§ 1006.

### Social Security History

The Secretary may require by subpoena the attendance and testimony of witnesses and the production of documents relating to any matter under investigation or the subject of a proceeding. A party must file a written request for a subpoena with the administrative law judge at least 5 days prior to the date set for the hearing.

### The New Fiscal Federalism and the Social Safety Net: A View from California

Government Printing Office Washington 25, D. A National Rehabilitation Advisory Council was formed to advise the federal office on policies and programs. During this initial telephone call with the law firm partner, the employee indicates that he is interested in resuming private practice.

### Report to Congress on the Use of Administrative Subpoena Authorities by Executive Branch Agencies and Entities

Certain DOE officials may sign, issue and serve subpoenas of persons and documents.
