Securing Religious Liberty: Principles for Judicial Interpretation of the Religion Clauses by Jesse H. Choper

Thus, the Supreme Court has never held that the Clause applies to state as well as federal office-holding.

Framing the Religion Clauses...First Things First

Naturalist and political philosopher John Locke was present to witness these events and was so compelled by them, he wrote what is known as the Second Treatise.

Basic Values and the Religion by Alan Brownstein

Recognizing as he does that the typical religious school serves both sacred and secular ends, all he finds needed is a way to measure the aid so that the public funds will be used solely for the latter ends.

Project MUSE

Nor may government deny religious schools—including schools whose curricula and activities include religious elements—the right to participate in a voucher program, so long as the aid reaches the schools through independent decisions of parents. The state simply cannot be trusted to make decisions involving religion. Indeed, from a formal legal perspective this conflict could not be more stark.
