Mental Health Benefits: State Laws Mandating or Regulating

In addition, providers must accept Department referrals for services within seven 7 calendar days and may only decline referrals with written approval from OBH.

Legislative History of Citizen Initiated Legislation

Again, like in California, the law here aims to allow rescues and foster care programs the ability to help save the lives of animals left at shelters by allowing the non-profit organizations to intervene and take ownership of the animals. During the Civil State of Emergency declared by the Governor, public hearings are now closed to the public physically attending.

Medical Marijuana in Maine

During this State of Emergency, the Department will be providing a 30-day comment period in lieu of a public hearing. Prohibition against disqualification of individuals in approved training. There is a need for laws to protect the animals that are placed in rescue and foster care, and there is a need for those laws to be strongly enforced.

Laws and Rules/Chapters: Maine State Board of Nursing

In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to the individual are not payable because of the individual's alien status may be made except upon a preponderance of the evidence. The local government shelter will be financed through tax dollars and a non-profit run shelter will be funded through donations. The Department is adding various CPT coverage codes to Telehealth Services.

Legislative History of Citizen Initiated Legislation

The Maine Legislature has authorized the Department to adopt rules with a retroactive application where the Department has determined that the

change does not have an adverse financial impact on any MaineCare provider or Member. This adopted rule enhances safeguards and protections of client rights under the Bates, et al.

Medical Marijuana in Maine

Although an unpublished opinion, a lawsuit arose when a Pennsylvania dog rescue, Sixth Angel Shepherd Rescue, had contracted with a transporter to have several dogs from North Carolina brought to Pennsylvania. The newly enacted federal parity law affects insurance policies that already provide some mental health coverage; there is no federal law directly mandating parity to the same extent as state laws; also see background on unsuccessful federal parity legislation below the state table. In Colorado, tethering is prohibited except when grooming a cat or dog.

Maine State Legislature

Mental Health Parity Must be equal Massachusetts Mental health benefits; ; ; ; Eff. Service with nonprofit organizations and educational institutions and state and local governments. The Department published a Notice of MaineCare Reimbursement Methodology Change on June 28, 2019 of the intended 20% rate increases with the expectation that the Legislature would approve the increases effective July 1, 2019.
