### Game Over: How Nintendo Zapped an American Industry, Captured Your Dollars ...

Nintendo sues Tengen again in November over a number of unlicensed Nintendo games. It's possible that people besides me came to the same conclusion about Jump Bug and there could be an even older game; I don't know but I imagine they would have used emulation like I did to help narrow it down chronologically. While they're having fun in battle mode the moral person is sitting there with a sad face refusing to join because it's illegal and telling them they need to wait until one day Nintendo decides to make N64 games available on Switch.
