They were nothing more than a sheet sewn in the form of a sleeping bag. The high attic originally allowed for a large skylight to rise above the main double-height central stair; the remodel kept and restored the interior skylight using recreations of the original painted-glass panes. All are local Japanese organizations and we have found the English Pages for you.

Handy Links for World Citizens

The Cultural Kitchen program, an educational youth outreach program, provides young people with the opportunity to experience the world outside of their neighborhoods.
