Dust Jacket Condition: very good. No one was killed, but many crucial supplies were lost, including all of the expedition's.

John Wesley Powell

Beyond the Hundredth Meridian: John Wesley Powell and the second opening of the West.

John Wesley Powell

Powell's dramatic journal of 1869, edited and introduced by Don D. The three disappeared; some historians have speculated they were killed by the or by Mormons in the town of.

Down the Colorado : diary of the first trip through the Grand Canyon, 1869 / Photos. and epilogue [b...

The expedition, which lasted approximately three months during the summer of 1869, embarked from , and traveled downstream through parts of the present-day states of , , and before reaching the confluence of the Colorado and rivers in present-day. Knowing the altitude was essential for producing good maps, and it allowed Powell to estimate how much vertical drop remained before the journey's endpoint, which had a known

elevation. Powell's diary of his trip down the Colorado River from Wyoming on.

9780883940129: Down the Colorado: Diary of the First Trip Through the Grand Canyon

USGS: Science for a Changing World. The boats, stout and heavy, were off-the-shelf navy longboats with sharp cutwaters, meant to be rowed bow-first on the sea rather than down rock-studded rivers. Intrigued with the country, he returned in 1868, wintered there, and decided to mount an expedition to explore the course and navigability of the river.

DOWN THE COLORADO : Diary of the First Trip through the Grand Canyon, 1869, Ph..

Always the geologist, he took to studying rocks while in the trenches at Vicksburg.
