## Oh Terrifying Mother: Sexuality, Violence and Worship of the Goddess Kali by Sarah Caldwell

Book is in Used-Good condition. However, her controversial findings may cause discomfort to some readers. In so doing, this is not a typical ethnography, but instead a rich and compelling story of both the subjects of her research as well as her own journey and transformation as the researcher.

## Oh Terrifying Mother : Sexuality, Violence and Worship of the Goddess Kali by Sarah Caldwell (2001, UK

The brilliance of Caldwell's text is in giving the reader an experience akin to the audience at the ritual.

## Oh Terrifying Mother: Sexuality, Violence and Worship of the Goddess Kali : Caldwell, Sarah: Amazon.sg: Books

Well-bound with bright pages that are crisp and unmarked. By providing an on-the-ground look at many meanings of Kali to those who worship her, this book fills an important niche in the burgeoning literature on Hindu goddesses. The work has strong Freudian influences, with the interpretive introspection of the best of reflexive anthropology.

## Oh terrifying mother (1999 edition)

Book has light wear to the edges and corners with light rubbing and smudging to the covers and text block, otherwise in great condition.

## Oh Terrifying Mother: Sexuality, Violence and Worship of the Goddess Kali by Sarah Caldwell

Caldwell's multifaceted approach is by all means controversial - she employs a variety of methods to paint a full and in-depth portrait of this intense, arresting art form. This book is an academic work and wades into the anthropological debates about origins of worship, the status of women in South India and the goddess as a normative as well as liberating reflection of the culture.

**Oh Terrifying Mother : Sexuality, Violence and Worship of the Goddess Kali by Sarah Caldwell (2001, UK**

I read this book the year it came out, and tremendously admire Caldwell's sometimes dense but always vivid writing style, both theoretical and descriptive passages.

**Oh terrifying mother (1999 edition)**

.

**Oh terrifying mother : sexuality, violence, and worship of the goddess Kali / Sarah Caldwell**

Crisp, holds color well, and is now enclosed in an archival cover.
