But this united monarchy—a real united monarchy—was ruled by the Omrides, not the Davidides, and its capital was Samaria, not Jerusalem. Du

Bois brought black characters to the front of the Reconstruction story and struck back forcefully at the accounts of Dunning School historians, which were based in large part on contemporary, white supremacist views. It can no longer be argued that the Kingdom of Judah developed only in the late eighth century BCE or at some other later date.

Questia

Throughout the eighteenth and nineteenth centuries, ownership of English land was concentrated in the hands of the relatively small landed classes, who retained their hold over the land through a system that encouraged the consolidation and extension of estates by enforcing strict inheritance laws. After the Trojan defeat, the Greeks heroes slowly made their way home.
