Conforming to the custom of designating areas of Jewish settlement with biblical names, Spain was denominated Sefarad 20 , France was called Tsarefat , and was called the.

### **Volume on Proceedings of Rabbinical Assembly**

A recent survey of American rabbis found opinion divided on performance of mixed marriages by rabbis, with disagreement on whether performing such marriage ceremonies encourages those marrying non-Jews to maintain their connection with Judaism and perhaps encourages the non-Jewish partners to convert. The presenters will provide a step-by-step retrospective describing how the proposal came to be conceived and submitted, time-tested practices for planning and preparing a fundable project, and the risks that project team members may encounter. I so very much appreciate the amazing content of your site.

### **Call for Papers—Shared History Conference**

Subjects of discussion may include purchasing policies, subscriptions, Hebrew e-books and digitizing. Learn about the process, from idea to fundraising to weeding, and the actual makeover.
