### Korean History Studies in Japan: The 2001 Shigaku Zasshi Review of Historiography, Korean Studies

Then, the Korean War broke out and as Communist China became preoccupied with supporting North Korea, the United States began to protect Taiwan from the mainland as a part of its anti-communist strategy Wakabayashi, 2006: 18-9.

### Japanese Geopolitics

. In the regions around Inner Mongolia, the quest for independence among Mongol residents grew after the establishment of Manchukuo. Primary focus is placed on studying astronomy, geography, and arithmetic, and to a lesser degree there are lessons in agricultural machinery, military machinery, and drafting.

### National and colonial language discourses in Japan and its colonies, 1868

Prior to the Japanese annexation in 1895, the gap between spoken and written languages was similar to that in Japan — only cultural elites used Classical Chinese writing and the elite bureaucratic speech style called *guanhua* *ibid.* .

### East Asian cultural sphere

Lately, trans-regional research projects are attempting to reveal facets of a greater picture emerging from the combination of shared cultural elements in this sphere. Namung was appointed as a clerk at the Ministry of Home Affairs in 1886 and later as secretary to Minister Plenipotentiary Cho Minhūi 1859—1931 on a diplomatic mission to England, Germany, and Russia in 1887. Chinese words with these pronunciations were also borrowed extensively into the local vernaculars, and today comprise over half their vocabularies.

### FUKUDA Takeshi

Nonetheless, even before the revolution, the sense of linguistic identity already existed as a truism, which had been manipulated by the Ordonnance de Villers-Cotterêts or Académie Française. Writing in another tongue: alloglottography in the ancient Near East.

### **Reading Söktok Kugyöl materials based on Ŏnhae materials**

Authors who describe the Korean situation as diglossic, like Cho 2002 , Silva 2003 , Lee 2008 , 79 Snow 2010 and others, are either unaware of or overlook this fact in order to focus on the one semi-compatible aspect of diglossia to the late-Chosŏn situation: the existence of two differently-used and unequally-esteemed languages within one linguistic community. A tragedy occurred in China as the world powers invaded its territory.
