Overview of the Seventeenth Century by Nicholas Needham

This practice is becoming more frequent in the Roman Catholic Church as well, especially through the. It is truer to say that our tradition of liberty arose in opposition to the established Church.

Is Anglicanism a Gateway to Catholicism?: A Defense of Anglo

Surely he was not the one true Anglican. Nor can the branch theory handle religious diversity.

The whited sepulchres of Anglicanism

This conversation will continue until the great final day when there is no more Anglicanism, and our little clod is part of the main. Now it was natural that this dominant intellectual interest of the time should show itself in a widespread passion for that clearness and distinction which belong especially to mathematical ideas; and in a tendency to leave out of account whatever in experience may seem to be incapable of being set out in the clear, consecutive and convincing form which is proper to mathematical proof.

Anglicanism; the thought and practice of the Church of England, (Book, 1951) [ne-x.uni.rf.gd]

Thus the two great contemporaries, born in the same year, 1770, the German philosopher Hegel and the English poet Wordsworth, alike presuppose Rousseau, but pass beyond him in an effort to know what Rousseau did but feel. It is true that sola Scriptura is one of the hallmarks of Protestantism.

Anglicanism; the thought and practice of the Church of England, (Book, 1951) [ne-x.uni.rf.gd]

I pass on to the other--its Platonism. Cambridge, England: Cambridge University Press.

The Puritans

During the fifth and sixth centuries, however, England had been conquered by the Anglo-Saxons made up of Angles, Saxons and Jutes — tribal groups from the coastlands of north-east Europe and the Christian communities which remained were scattered. The distribution of funeral doles was becoming more common among the middling ranks of society in the sixteenth century.

Religion in Victorian England from Crossref

The Catholic remnant England had ceased to be a country three centuries earlier in the under Henry VIII, and from then on saw itself as essentially.
