Celtic Journey: Traditional Cable Patterns

The greatest discovery was that the heart of Celtic spirituality was simply living the life, following the Way, travelling the journey in the everyday ordinariness of life —the pain and the pleasure, the heartaches and the hopes, the disappointment and the dreams. Accepting the reality of our broken flawed lives is the beginning of spirituality, not because the spiritual life will remove our flaws but because we let go of seeking perfection and, instead, seek God, the One who is present in the tangled-ness of our lives. The original Outlander Tour, based on the award-winning series of books by Diana Gabaldon.

Pronunciation of Celtic: Why Are There Two Ways?

The circular Celtic triskele is also a symbol of the Trinity within a circle, giving a sense of forward motion. They believed that nothing was secular because everything was sacred. A saving sign of protection to keep away evil, not superstition but a statement of fact.
