**Jim Mattis and the challenge of being a former Trump administration official.**

Whereas, in the United States, senior officials tended to owe their power and whatever luster might linger afterward to the president. And maybe Scowcroft—who has long been extremely secure as the president of his own consulting firm—is doing a bit of that as well. He attended local schools before going to the.

D'où l'autocensure dans les gouvernements et administrations. Dans le contexte du Watergate, les auteurs pointent ce que ce complot du silence au nom de la fidélité au président a de problématique pour le bon fonctionnement de la démocratie: le pays se trouve engagé durablement dans des processus ambigus ou tragiques sans comprendre où on le conduit, parce qu'aucun débat de fond entre spécialistes compétents n'est possible, sans qu'on crie à la trahison. In this book, originally published in 2007, Simon Keller explores the varieties of loyalty and their psychological and ethical differences, and concludes that loyalty is an essential but fallible part of human life.
