12.3 Sociological Perspectives on Aging

It should be stressed that it is these diasporic streams--or movements of specific peoples to several societies--together with the communities that they constructed, that form a diaspora. Some elders are less able to remain active because of their poverty, gender, and social class, as these and other structural conditions may adversely affect their physical and mental health. The first wave focused on suffrage and political rights.

Defining and Studying the Modern African Diaspora

In subsequent chapters we have not attempted to mark these different perspectives, choosing instead to stress the phenomena studied rather than the approaches taken. Here, it is worth noting that many plausible theories of meaning have an objective component, indicating that not just anything goes for meaning. As a field of study, the African diaspora has gathered momentum in recent times.

URBAN SOCIOLOGY THEORIES

I was working on a brochure for a class that I am taking.

3 Geography's Perspectives

The concept of a geographic script analogous to a movie script has been proposed as a strategy for leading people through a complex web of maps, graphics, pictures, and descriptions developed to provide information about a particular issue Monmonier, 1992.

Non

For example, many veterans of the Armed Forces, after completing tours of duty in the Middle East, are returning to college rather than entering jobs as veterans as previous generations did. We also distinguish actions done on purpose from those done by accident.
