Those residing outside the area appear to fall into three categories: a Those who visit the area and maintain direct contacts are relatively well-informed and share the views of the grassroots. However, it appeared that military assistance from Sudan followed immediately after the failed peace negotiations. Loss of government power After decades of subordination to Lango elements in the armed forces, the Acholi had achieved government power just six months earlier and had finally begun to enjoy some of the power and privileges of more senior rank, political and civil service appointments - and the homes and vehicles which attain to them.

### The global

Has the table of contents and abstracts for all issues. Sipi region police spokesperson Mr Rogers Taitika urged local residents to report any suspicious objects to the security forces.

### Basic Information For International Students Seeking To Join Makerere University In Kampala

The large-scale LRA killings themselves, and other statements and actions attributed to the LRA and described earlier in this report suggest an

LRA hostile to the civilian population.
