A Parent's Guide to Surviving the Teen Years (for Parents)

What can we do to help this boy lead a better life? When people drink alcohol, it's absorbed into their bloodstream. Any research I present to him by doctors is belittled.

HOW TO COMMUNICATE WITH YOUR TEEN

I have devoted the past two years of my life to helping her but have come to the conclusion that I have to let her go to discover what she is doing with her life and the poor decisions she is making.

5 Tips for Building a Healthy Relationship with Your Teenager

This ties into the fear of any parent: that their teen will begin moving toward harmful behaviors. Sits around and plays video games all day and has no plans on getting a job any time soon.

Parent Child Communication Strategies

Young people including all adults age 18,

It's a terrible drug, and no one should say different. Teens want to shock their parents and it's a lot better to let them do something temporary and harmless; save your objections for things that really matter, like , and , or permanent changes to their appearance. Or was it wisdom from below, full of envy, selfish ambition, disorder, and every evil practice? Keep in mind that regardless of your personal feelings about marijuana use and legalization, it is still illegal for people under 21 to use marijuana, even if it is legal in your state.
