## Russo

He has written extensively about the dangers of an over reliance on German archival sources and personal accounts.

## The Russo German War, 1941

The train would stop at the depot, move the cars to another engine, send the new engine along, resupply the old engine, and have the old engine take new cars from yet another train along the track in the opposite direction to the depot it originally came from.

## Eastern Front (World War II)

The project sought to determine total deaths and their cause, when and in which theatre of war the losses occurred as well as a demographic profile of the men who served in the war.

## Russo

In addition, 247,000 Austrians lost their lives serving in the army of the Third Reich or were reported missing, and 24,000 civilians were killed during bombing raids. While not a part of the Eastern Front operations, it is included here because the commanders and much of the forces used by the Red Army came from the European Theatre of operations and benefited from the experience gained there.

## German casualties in World War II

Hitler's arctic war : the German campaigns in Norway, Finland and the USSR 1940—1945. After the defeat at Stalingrad, Germany geared completely towards a war economy, as expounded in a speech given by , the Nazi propaganda minister , in the Berlin , increasing production in subsequent years under 's the Reich armaments minister direction, despite the intensifying.

## The Influence of Railways on Military Operations in the Russo

Having suffered a major defeat the German striking forces of Army Group Centre were retreating. Of course you may have your own ideas. The

Soviet player is at first primarily on the defensive, but the situation requires he halt his opponent's push to the east and then, in turn, launch a series of counter-offensives that will eventually move the Red Army to Berlin and the heart of Europe.

### **The Influence of Railways on Military Operations in the Russo**

In many ways this was a 'perfect' operation, delivered with the skill gained during the bitter fighting with the Wehrmacht and Luftwaffe over four years. There is an active group of players using Computer War in Europe as a vehicle to join, send the message 'subscribe' to 'warineur-request halisp. Overmans estimates the actual death toll of German POWs is about 1.
