Middle East and Islam : a bibliographical introduction (Book, 1979) [ne-x.uni.rf.gd]

According to Islamic tradition, the angel Gabriel appeared to the Prophet over the course of 20 years, revealing to him many messages from God. Islam expanded into areas controlled by the Byzantine Empire largely Greek-speaking and Orthodox Christian, but with a diverse population and the Sassanian Empire officially Zoroastrian and Persian-speaking, but also diverse. They were mainly used to cover houses and cisterns.

Handbooks and Guides to the Field

The location of sources of water also determined the routes of travel and trade. Significant Muslim populations can also be found in India, , , as well as parts of western Europe and North America. Reflecting the light of the sun, these domes appeared like glittering and could be seen from miles away by travelers following the through Persia.

Muslim Brotherhood

The is easily identifiable through a receding wall and a gable over head often consisting of intricate patterns. London, Leicester University Press, pp.
