Teaching for Quality Learning at University: What the Student Does, 4th Edition (The Society for Research into Higher Education)

Wie konnte aus so kleinen Anfängen so ein international so bekanntes Forschungszentrum entstehen? She has been engaged in staff development ever since, holding the posts of Deputy Director, later Head, of the Educational Development Centre at the Hong Kong Polytechnic University and Head of the Centre for Learning, Teaching and Supervision at the Hong Kong Institute of Education.

Going straight... to university

Filesize: 5.23 MB

A podcast about life, the universe and anthropology produced by David Boarder Giles, Timothy Neale, Cameo Dalley, Mythily Meher and Matt Barlow. Speculation centred on the suspicion that it was the mention of CAGs that might have caused the Department for Education to tell Ofqual to change tack, mostly because of a by the well-briefed Camilla Turner.

Facilitating Reflective Learning in Higher Education (Society for Research Into Higher Education)

The Alic course is free - she would not have been able to do it if it was not - and Berry has a lot of support from her three children and her seven-year-old granddaughter, who even asks her to read her books to her. Such a fragmented curriculum is falling well short of the challenges of the twenty-first century.

Knowledge Creation

Flexibility, which has emerged as pivotal during the pandemic and as a key dimension of educational practices in the aftermath of the Covid-19 lockdown, is likely to affect the development of higher education deeply in the near future. I am looking forward to moving on. They are unlikely to mention their finances except to invite donations.

Virtual Learning Communities

University networks play a key role, acting as facilitators of information exchange, SDGs good practice models and source of empowerment for further action. We need in future to give the ville aspects of university life the credit they deserve.

Going straight... to university

In March and April 2020 we conducted eight interviews with individuals holding admissions tutor or similar roles in STEM courses at three elite English universities the Universities of Oxford and Cambridge and Imperial College London. This series will no longer be checked for updates. It has a of its own but it does not seem to see it as a regulatory essential for a university to have one.
