At the outbreak of war, he joined the Royal Canadian Air Force and before long found himself flying Spitfires in combat. Their plot demands a risky feat of engineering as well as a bevy of disguises, forged documents, fake walls, and steely resolve. Following the announcement of the murder of the escapees who had been recaptured following the Great Escape, Brickhill became determined to document the event.

Paul Brickhill, First Edition

Relying on coded records kept by appointed camp historians, as well as personal interviews, letters, logs, diaries, and recently declassified government documents, Durand expertly combines impressive scholarship with dramatic narrative. The moon was like a cheddar cheese behind a veil of wispy cloud and they lay in the trees and watched a German patrol march along the river bank. This work of tunnelling went on for several months, until the tunnel was over 120 feet long and extended beyond the barbed wire which bounded the camp.

Escape or Die by Paul Brickhill, First Edition

This astonishing result had an enormous impact on the morale of the Air Forces and restored trained airmen to the battle. A source for new escape and evasion books is the National Museum of the Mighty Eighth Air Force.

Paul Brickhill, First Edition

After several failed attempts, he got out over the wire and journeyed for weeks as a fugitive from northern France to Marseilles, then across the Pyrenees to Spain and Gibraltar and freedom. But as long as I live, I shall never forget the Fourth of July, 1943. At dusk they came down from the ridge to a farmhouse in the valley and there, unbelievably, were the waggons they had left the previous day.

Escape, Or Die: Authentic Stories Of The RAF Escaping Society by Paul Brickhill

Their target is an aircraft-electrical factory in Stuttgart, Germany.

The great escape from Stalag Luft III : the full story of how 76 Allied officers carried out World War II's most remarkable mass escape

The date was Sunday, November 26, 1944.
