How are you going to have unity with these people? I do not believe for a moment that a genuine Hindu-Muslim synthesis took place in India during the Moghul period, or that the British policy of divide-and-rule was solely, or even mainly, responsible for the Hindu-Muslim conflict under the Raj. For there seems to be no reason why Life should evolve out of material elements or Mind out of living form, unless we accept the Vedantic solution that Life is already involved in Matter and Mind in Life because in essence Matter is a form of veiled Life, Life a form of veiled Consciousness.

Sri Aurobindo

A writer in the Manchester Guardian called him 'the most massive philosophical thinker that modern India has produced. That was the Theology of Liberation.

With his growing involvement in Vande Mataram he spelled out a concrete scheme to make the continuation of the British rule difficult. A gradual reading of the historic unfolding over the years gives us a clear understanding that how myths like these are nothing but crude simplifications and vulgar exaggerations at the heavy expense of serious historiography. It will also fill the generation gap, not the one we talk about the most these days but a still wider one, the general rootlessness of a whole nation.

Aurobindo was given the honour of leading the life of unremitting activity in the manner of Karmayogi and jnanayogi. Such pluralism in religious views is hardly a cause for any right-wing movement in the world, but is also considered progressive, liberal, if not leftist except in India.

The myth of Aryan invasions of India

This is particularly illustrated by drawing parallels with Islamic responses to modern science and Darwinism. From 1926 he started to sign himself as Sri Aurobindo, being commonly used as an. It is a principle, which can be applied with success if practiced on a mass scale, especially by

unarmed people like the Indians, because you are left with no other choice.

A Yogic perspective to the Medusa myth

All they know and care for is that the remains came from a temple where their ancestors had worshipped at one time but which was subsequently destroyed by Muslims.
