## When the Past is the Classroom

Additionally, we will consider the theory and criticism of Howard Thurman, Kevin Quashie, Martin Luther King, Jr. The heart of the course will be in an interdisciplinary exploration of two of the borderless problems already noted above—climate change and forced migration—through readings and discussion of novels, film, social theory, social scientific research, and policy documents from international institutions like the UN.

## The Narrative of Frederick Douglass Chapter 5 Summary & Analysis

He is currently president of the Aerospace Technology Group in Cleveland, Oh.

## Online Primary Sources

In November 1985, Bluford again flew aboard the space shuttle Challenger on a mission dedicated to German scientific experiments. Although this course is organized thematically across a number of disciplines, it also resists a kind of stringent categorization or segmentation—mirroring the energy that has characterized this interdisciplinary field.

## Andrew Jackson: First Inaugural Address. U.S. Inaugural Addresses. 1989

This course introduces students to material culture, to theories, questions, and methods of studying objects and things that surround us in everyday life. Drawing from an array of literary, historical, and cultural sources, the course encourages students to examine how writers, filmmakers, and artists in all mediums demonstrate the pervasiveness of the road in our historical, literary, and cultural imagination. Douglass was born a slave in Maryland.

## The Narrative of Frederick Douglass Chapter 5 Summary & Analysis

Myth and Memory: 1985 will be a hands-on exploration of the events, experiences and cultures of America thirty years ago. Embedded in a culture in which race was and is always an issue, the U.

## **Narrative of the Life of Frederick Douglass, an American Slave**

Students will create work using a variety of light sensitive printmaking processes. This course examines language as practice in relation to the concepts and consequences of race, racism and racial identity in the contemporary U. Over the course of the semester, students will pay special attention to how these subjects are shaped by the circulation of social movements and globalizing forces like production and consumption, global media, and human rights discourses.
