### Movies in Development

However, Frank Stephan, a Clarett West senior managing director, told The Real Deal that affordable housing was always a part of the plan, and not a forced concession. Interdependences between computer games and movies are scrutinised and then, of course, focal points of thematic developments.

### Recent Developments

With the 2000s came an increase in Disney movies, big-budget blockbusters and crude comedies. The content of films was limited by the Motion Picture Production Code, and though golden-age film-makers found loopholes in its rules, the discussion of more taboo content through film was effectively prevented.
