Difference Between Airport and Aerodrome

One U-boat was sunk in counter-attacks by the surface escorts. No need for a towel, but in any case that was reserved for absorbing perspiration and we became accustomed to the salt water. Their patrols, so often lacking in incident, and frequently flown in vile weather, demanded quiet courage, endless patience, and constant vigilance.

Airports, Aerodromes and Airfields (Bibliography)

With the machinery and tools of that time the task had seemed impossible.
