## Surplus military equipment: What is the 1033 Program, what can local law enforcement get?

As of 2014, at least 117 colleges and universities in the United States have used the 1033 program to acquire military-grade equipment through their campus police departments. Due to base restrictions, please contact our Law Enforcement Program Coordinator at 717 787-6197 to arrange a specific time to visit.

## Virginia State Police

We update this page weekly. The value of the equipment received, over the same time period, increased around 433%.

## Federal Property Assistance / Fleet Management and Federal Property Assistance / Business Operations / Florida Department of Management Services

No personal use of the excess property is permitted. State Agencies for Surplus Property SASP Program The SASP supports many different nonprofit organizations and public agencies, facilitating the requests and transfers of surplus federal government property to eligible organizations in Florida. On July 1, 2011, the National Defense Authorization Act Section 1122 established the requirement for procedures to be developed by the Department of Defense that would enable state and local governments, Homeland Security and Emergency Response units to purchase law enforcement equipment through the federal procurement channels.

## Surplus military equipment: What is the 1033 Program, what can local law enforcement get?

More information is available about , , and. Thank you for your understanding, your patience, your business, and most of all, your support, as we work through this unprecedented time to ensure that the safety of our employees and customers remains our top priority. Once property is received on record, the LEA must ensure its accountability and responsibility of it.

## Local law enforcement agencies take advantage of government program to receive military equipment

The rules allow police to dispose of or sell some goods after at least one year of usage. Availability of surplus equipment has been facilitated by the and Afghanistan. Weapons, APCs, and Aircraft The acquisition of Weapons, APCs and Aircraft is done using different procedures than property screened at the DRMOs.
