Personality; : a psychological interpretation

Examples of Positive Personality Traits Some, if not most, of your personality traits are likely to be positive. The, and stories are a way to deal with that.

What Is Personality Psychology?

If you live with an obsessive-compulsive personality disorder, you may strive for perfection in all aspects of your life.

Personality: A Psychological Interpretation

This one demonstrates your feelings towards authority, and, in some cases, the male sex. In analyzing the life stories of 8-, 12-, 16-, and 20-year-olds, these kinds of coherence were found to increase with age.

Cattell's 16 Personality Factors

Good order is the foundation of all things.
