### The 5 Most Fascinating Reveals About Queen Elizabeth II in Nat Geo's New Documentary

She died there in 1969.

### Before they were royal: The life of the Queen Mother

That year, William undertook a royal tour of the Middle East, which included a stop in Jerusalem.

### Biography of the Queen Mother

His widow was a leading guest at the Queen's wedding to Prince Philip in 1947. Who are Nerissa and Katherine Bowes-Lyon? According to one of the people who cared for the Bowes-Lyon siblings back then, the scene is rooted in truth: In *The Queen's Hidden Cousins*, a 2011 documentary from Britain's Channel 4, their former nurse Onelle Braithwaite remembers seeing a jubilant Nerissa and Katherine waving and saluting in front of the television as the Queen arrived at 's 1981 wedding. Elizabeth was very supportive of his therapy, often participating in his sessions.

### The Queen's 'hidden' cousins: True story of Nerissa and Katherine Bowes

To quote just one example, the documentary claimed that the father of Katherine and Nerissa never once visited them in the care home. However, Burke's Peerage included specific dates of death for both sisters. John was in turn murdered and the castle went to the third son, George Sinclair, who founded the family of the Sinclairs of Mey and whose descendant succeeded to the Earldom in 1789.

### The Crown: The Sad, True Story of Queen Elizabeth and Princess Margaret's Estranged Cousins

If that's true, *The Crown* altered the facts for the sake of entertainment. Just think of the life they might have had. She never forgave her — for what, I am not sure — and hounded her across the empire, ensuring she never got a royal title and was ostracised by the sort of people who care about the royal family; that is, the only people Simpson and Edward cared about.

### Who Is Princess Alice, Prince Philip's Mom?

Apparently, she adored a game where Eton boys were chased by a pack of hounds for her pleasure.
