Perennials for Season

This is a versatile and useful flowering evergreen climber which can be neatly trained and controlled. A robust medium sized shrub, she's a hungry feeder so prepare for her arrival with dollops of well-rotted manure dug into the ground.

20 Best Flowering Shrubs

The light lilac-pink flowers are a compliment to the black foliage. Bracts tend to be more robust than petals and continue to make an impact long after the petals have disintegrated.

12 Plants for Colour in Every Month

TREES Choosing the right tree for your garden is important.

Diarmuid Gavin's top 30 plants to bring your garden to life

As an added bonus, the flower spires are fragrant and the plant is deer resistant. Many varieties of Ilex such as Japanese holly I. My list of top garden plants? Its large, glossy, hand-shaped leaves cope well in coastal conditions and problematic shady areas in the garden.

12 Plants for Colour in Every Month

Some commonly cultivated plants only live for one growing season. Its purple flowers float in the top of long stems and mix beautifully with grasses and other perennials. The stems usually range in height between 18 and 24 inches.
