## A Brief History of the Spanish Language

The African element is fairly strong in Brazilian Portuguese , particularly in those areas of popular culture and belief with strong African roots: macumba 'voodoo ritual', samba , marimba ; cachimbo 'pi pe' has passed into common European Portuguese usage. Traces of Basque especially can be found in the Spanish vocabulary today, mainly in place names. Notice that although this conclusion falls somewhat short of an a priori absurdity, it is both the weakest constraint which could possibly be put on adequacy of explication and also a strong general claim about historical change.

## Spanish language

This increased use of Spanish throughout the islands led to the formation of a class of Spanish-speaking intellectuals called the.

## Phonology

Continued emigration from Portugal perpetuated the European norm beside Brazilian Portuguese, especially in Rio de Janeiro, where D.
