Pirates of Venus by Edgar Rice Burroughs

The villainous Thorists, for example, are clearly Communists. The girth of the tree was enormous, but the branches grew sufficiently close together to permit me to find safe footing. I was tired after my arduous descent of the giant tree and dozed almost immediately.

In the subdued light of the forest he appeared no different from an earth man.

Pirates of Venus (Film)

Pirates of Venus was my first Burroughs. The succinct story is that Carson Napier, using fantastic powers of psychic projection, wishes to travel to Mars, so that he may correspond with Edgar Rice Burroughs for science! AS I set my ship down in the sheltered cove along the shore of desolate Guadalupe a trifle over four hours after I left Tarzana, the little Mexican steamer I had chartered to transport my men, materials, and supplies from the mainland rode peacefully at anchor in the tiny harbor, while on the shore, waiting to welcome me, were grouped the laborers, mechanics, and

assistants who had worked with such whole-hearted loyalty for long months in preparation for this day. Carson approaches a man who appears to be none other than Burroughs himself through a mysterious letter.

Housed in a custom-made slipcase. I had descended another thousand feet since I had emerged from the clouds, and I was pretty well exhausted the month of inactivity and overeating had softened me , when I saw just below me what appeared to be a causeway leading from the tree I was descending to another adjacent. Releasing the straps that held me to the chair, I moved about the cabin to look through the various ports, of which there were several in the sides, keel, and top of the torpedo.
