In Focus: Technology and the Evolution of the Real Estate Industry

By virtue of large depreciation deductions, the rental generates a tax loss, which A uses to partially offset his wage income, significantly lowering his tax bill. Evernote makes it super easy, with their automated folder structure, to share only the documents you want, with the pertinent

team member. Previously, Ingrid worked as a copywriter across various industries throughout New York City and Chicago.

To the IRS, not all real estate professionals are created equal

Net Investment Income Tax Implications For tax years beginning on or after Jan. Fractional property platforms are expected to become increasingly popular with real estate investors in 2020.

4 Skills Every Real Estate Professional Should Master in 2021

The election must be made on an original return and cannot be made on an amended return. After adding the travel time claimed by the taxpayer to the hours from her daily log, the total hours exceeded 750.

To the IRS, not all real estate professionals are created equal

For example, you can set it up so that each time you publish a post on your Facebook page, that same post is also shared on your LinkedIn page and your Twitter feed. We must accept that this is not a trend, but a permanent turn for the industry. Included in the definition of net investment income is all income from a passive activity.

4 Real Estate Technology Tools To Boost Your Productivity

He spends 600 hours on property A, 300 on property B, 300 on property C, 250 on property D, and 300 on property E.

2021's Best Real Estate CRM Software

This property management technology minimizes the amount of communication required via email or phone. Estate planning considerations must also be part of this review, as gifting into a trust when the grantor has personal passive activity loss carryovers may cause a loss of the tax attributes. Ingrid Tunberg sits on the editorial team as a coordinator and reporter for Real Estate Forum and GlobeSt.

Navigating the Real Estate Professional Rules

Below is a list of best-in-class commercial real estate technology providing software and tools to improve efficiencies and address pain points in the commercial real estate industry in 2020.
