An Introduction to the New Testament by D.A. Carson

In the first we seek for the evidences of the growth in appreciation of the peculiar value of the New Testament writings; in the second we discover the clear, full recognition of a large part of these writings as sacred and authoritative; in the third the acceptance of the complete canon in the East and in the West. DeSilva's introduction surveys the text of each book with skill and insights, sketches major issues in interpretation, develops methods each reader will need, keeps its eye on the social context of honor and shame, and does so in a way with an eye on ministry and personal formation.

An Introduction to the New Testament by D.A. Carson

. Historians therefore assume that the first two gospels would have been Matthew and Mark, although this remains uncertain. .

Introduction to the New Testament: Raymond E. Brown: 9780300140163

Although, there is an excessive interaction with critical scholarship for an intro to NT book.

7. How was the New Testament Canon (Books) Decided?

In the Antithesis, he claimed the theology of the Old Testament was incompatible with the regarding God and morality.

Development of the New Testament canon

Likewise, Damasus's commissioning of the Latin edition of the Bible, c. Marcion, an influential proponent of Gnosticism in the West, drew up a list of authoritative apostolic documents that included only the Gospel of Luke purged of its Jewish connections and ten letters of Paul the Pastoral Epistles are omitted.

Canon Of The New Testament Definition and Meaning

He therefore took the son as adviser and the glorious angels also, that this flesh too, having served the Spirit unblamably, might have some place of

sojourn, and might not seem to have lost the reward for its service; for all flesh, which is found undefiled and unspotted, wherein the Holy Spirit dwelt, shall receive a reward.

Staff View: The New Testament as canon :

The church, through councils and the witness of early church fathers, recognized what books were authentic and which were false. In addition to the Marcionites, other sects also developed, each with their own agenda and leader. This is definitely a more rigorous, detailed introduction to the New Testament.
